Ren Mai Extraordinary Vessel

Leg Cun Measurements

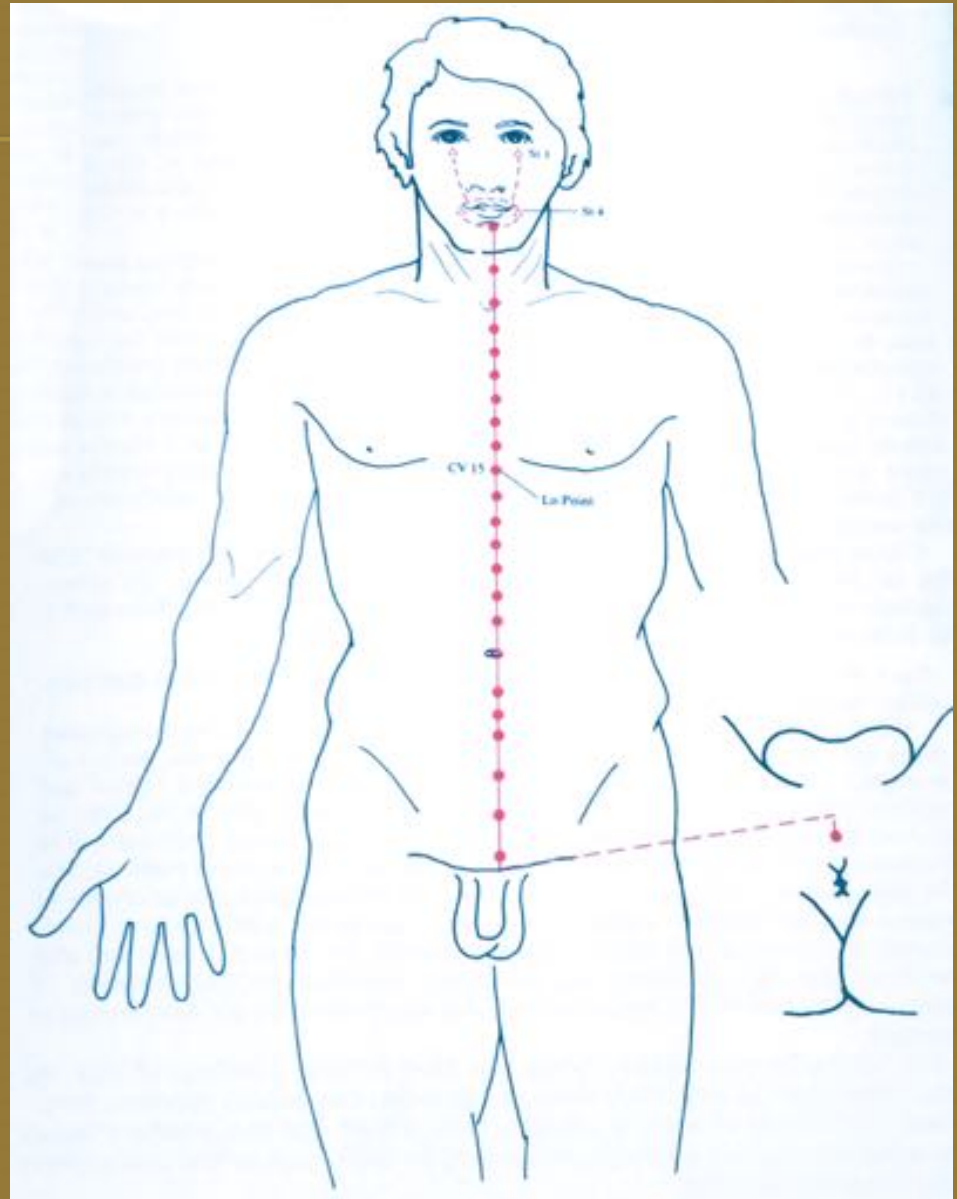

Cun—a proportional unit of measure

CV EOV

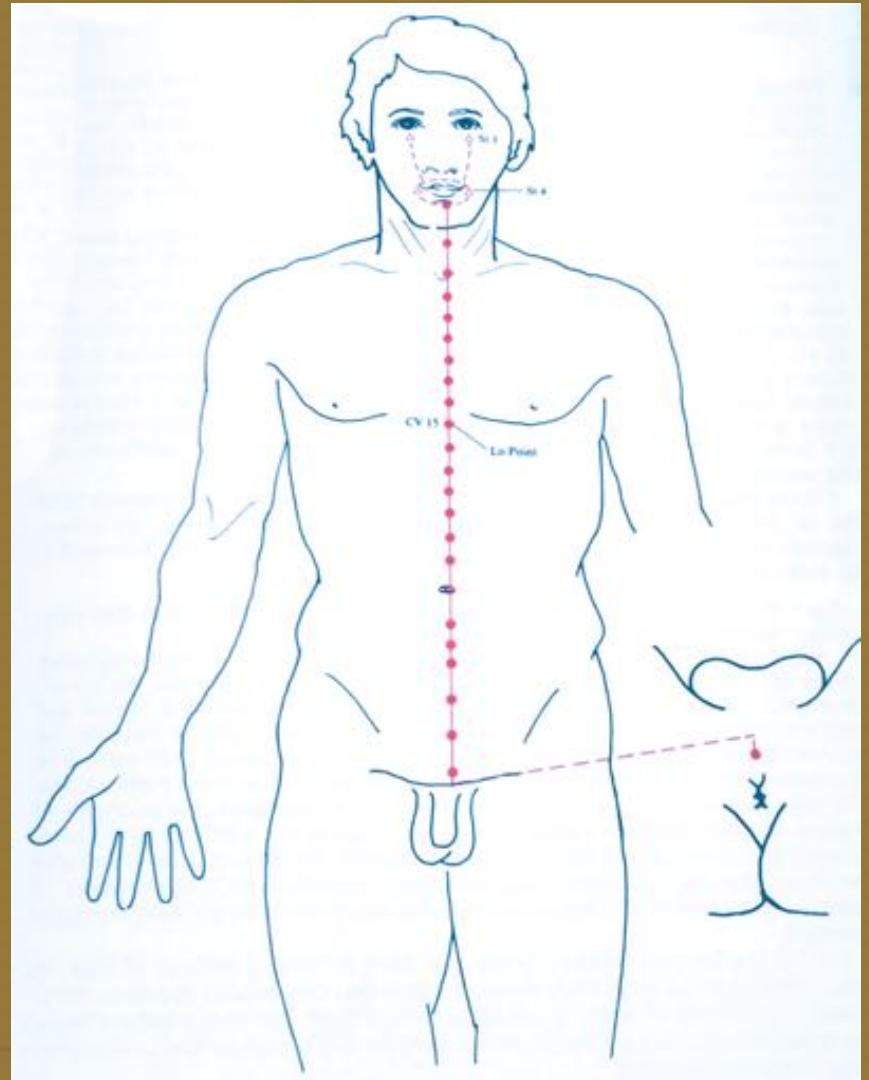

Ren Mai

Starts in pelvis and emerges at the perineum at CV 1. It then passes up the middle of the ventral aspect of the body up through the abdomen, chest and neck, to CV 24 in the center of the mental labial groove. From there, there is a secondary vessel that circles the lips passing ST 4 and entering the eyes at ST 1
